PRESENTS:**

***ISO 9001:2015 INTERNAL AUDITOR TRAINING***

**April 11 & 12, 2019**

**8:00am – 4:00pm**

**Best Western – Manchester, NH**

**[Register Online](#)**

**Course Description:**

This course teaches the fundamental requirements to conduct Internal Audits in accordance with ISO 9001:2015. Each clause of the standard is explored--learning what it means, how to apply it to the “real world”, and how to audit it. Role-playing audit scenarios help develop a hands-on understanding that will facilitate the implementation of a solid Internal Audit Program.

**Who Should Attend:**

This course is intended for individuals responsible for conducting, managing, or participating in Quality Management System Internal Audits including quality directors, QA/QC managers or supervisors, manufacturing, process, or supply chain engineers, and/or ISO coordinators.

**Learning Objectives:**

- Thoroughly understand the seven (7) Quality Management Principles of ISO 9001:2015, what they require, and how to audit them.
- Understand the roles and responsibilities of the Internal Auditor, how to develop audit plans, and how to conduct opening and closing meetings.
- Learn how to verify that your organization’s current practices conform to requirements by gathering objective evidence through observation, interviewing, and document sampling.
- Be prepared to conduct all phases of an Internal Audit:
  - ✓ Planning
  - ✓ Execution
  - ✓ Reporting
  - ✓ Recording
  - ✓ Follow-up
  - ✓ Closure

**Certification:**

Upon completion of the course, the participants will receive a certificate to recognize the time and topics covered during this course.
