

Supplier Scouting Opportunity 2023-018

Item to be scouted: Eco friendly packaging- cup and lid

Days: 30

Item description: Eco-friendly packaging alternative for a pet food product.

Technical Information

Supplier Information

Type of supplier being sought: Contract manufacturer

Reason for scouting submission: New product startup

Summary of technical specifications and performance requirements

Describe the manufacturing processes (elaborate to provide as much detail as possible): Cup and lid made of eco-friendly, North American biomass (such as Switch Grass) packaging for dog treat.

Approximate size: 5oz cup with tight fitting lid.

Provide dimensions / size / tolerances / performance specifications for the item:

Cup size: 5oz

Cup must have ability to hold/retain water.

Desire for cup's interior to have a texture/design element/undercuts to help retain frozen contents while dog is licking.

List required materials needed to make the product, including materials of product components:

Eco-friendly biomass, pet safe

Are there applicable certification requirements?: No

Are there applicable regulations?: No

Are there any other standards, requirements, etc.?: No

Additional Comments:

Approximately 3.5 ounces of warm water is added by the dog owner to 5 ounce serving cup >> 35g of powder ingredients added to the water >> lid is attached and secured >> dog owner shakes the cup to fully dissolve the powder ingredients >> cup is placed in freezer over night >> owner removes from freezer >> removes lid >> dog licks the contents over 5 to 7 minutes directly from the cup

Business Information
-----**Volume and pricing**
-----**Estimated potential business volume:**

Product is new, but estimated annual volume is anticipated at 250,000.
